A Christmas Message from Father Paul

Dear Friends, Christmas is a celebration of joy, hope and peace. It is a feast of joy to celebrate the greatest moment in history to tell everyone that the savior is born. It is the day when the earth is transformed as God comes to dwell in the human context. Hope is given to the world that exists in a hopeless situation. The savior has entered the world; the creator has become a creature, to give the world a new dignity. God has emptied himself to fill us with hope. It is a day of peace to the world that is struggling with conflicts and disturbance. This message of peace was proclaimed by the angels at birth of Jesus: peace to those of good will. Jesus the God of peace will give his peace for us and this peace will last forever.

In these years, when COVID has destroyed so much in so many people's lives, we must remember that, God has not abandoned us, and remains faithful to us. In our life, even in the most dreadful situations, like terminal illness or death or economic insecurity, or sorrows or COVID, it is very important to believe that God will bring good out of evil.

"Christmas reminds us that where God is born, hope is born; and where hope is born, persons regain their dignity. Where God is born, peace is born. And where peace is born, there is no longer room for hatred and for war. Where God is born, mercy flourishes". (Pope Francis)

Dear Parish Family,

*Thank you for your Christmas wishes, prayers, and gifts.
God bless you!*

Father Paul
