Father Paul's Reflections on the Readings

Feast of the Holy Family

Today we celebrate the Feast of the Holy Family. The feast of the Holy Family reminds us about the importance of family, in Christian life. The Church has always presented, Mary and Joseph as a model family for Christians to imitate. It was a family which lived under the threat of the powerful and the influenced; expelled to Egypt from their home land, forced to live as migrants in Galilee. They did not have any financial or social security. They struggled hard to earn its daily bread. Still the Church calls it, a model family and a holy family. Because all the members of the Holy Family - Jesus, Mary and Joseph- sought the will of God in everything. Their unwavering faith in the providence of God enabled them to accept the joys and sorrows of life with serenity. They trusted each other as they trusted God. So they stood united in the ups and downs of their life.

Jesus was the center of the Holy Family. Mary and Joseph accepted Jesus to be a unique gift to their family. Under their watchful eyes Jesus increased in wisdom and in years, and in divine and human favors. Parents must learn to keep Jesus at the center of their married life. On this feast day of the Holy Family, let us recollect what the Psalmist has to say: Unless the LORD builds the house, those who build it labor in vain. Unless the LORD watches over the city, the watchman stays awake in vain.

TEC stands for Teens Encounter Christ. TEC is an international, spiritual-renewal movement in the Catholic Church that strives to bring young people and adults into a close, personal relationship with Jesus Christ. TEC is a community, led by the Holy Spirit, that gathers people into Christian groups of faith, while attempting to incorporate its ministry into the overall ministry of their members' dioceses and parishes.

The primary method employed to gather people into Christian community and form them in the Christian life is that of the weekend retreat. At the weekend retreat, which usually runs from Friday evening to Monday afternoon, the participants are led into Christ's Paschal Mystery, through a combination of presentations, activities, talks, prayer, community building, and liturgy.

The next TEC retreat that will take place in the Diocese of Wheeling-Charleston will be held from Friday, January 14th to Monday, January 17th, at the St. John XXIII Pastoral Center in Charleston, West Virginia. It will be free for all teens who are in their junior year of high school through first year of college.

You can register on the Diocesan website, at <https://dwc.org/diocese/ministries/youth-and-young-adult-ministry/youth-ministry/tec/>, or you can contact Jeanne McKeets at the Office of Evangelization and Catechesis to register: 304-233-0880, ext. 374 or jmckeets@dwc.org

Three five-week courses are being offered through the University of Dayton's Virtual Learning Community for Faith Formation (VLCFF). These courses are hybrid models. They are composed of both weekly live two-hour zoom lectures as well as a rich variety of online course materials and discussion experiences through the University of Dayton's Virtual Learning Community For Faith Formation (VLCFF). The courses are being underwritten by the Diocese of Wheeling-Charleston's Office of Evangelization & Catechesis, who pays 100% of the tuition and the cost of the books associated with the courses. The course instructor is Dr. Rodica Stoicoiu.

For further information or to register, please contact Jeanne McKeets at jmckeets@dwc.org with your name, address, and phone number.

The New Testament Cycle 1 Jan 17-Feb 20 (registration open from Oct 13)

This course explores the stories in and behind the writings we call the New Testament. The course is a general overview introducing the student to the cultural context, composition, themes, and pastoral application of the New Testament accounts for growing in Biblical knowledge. We will study the texts from the threefold perspective of the World within the Text: Literature, The World behind the Text: History, and the World in Front of the Text: Our Culture. Through the study of Biblical maps, articles and religious art present on authoritative websites, our text and class discussions students can grow in New Testament knowledge, understanding and application to their life and ministry.

Introduction to Prayer Cycle 2 Mar 7-Apr 9 (registration opens Jan 19)

"Prayer is our means of taking a sighting, of re-orienting ourselves – by re-establishing contact with our goal. In the presence of God many components of our life fall into perspective and our journey makes more sense. Prayer is inseparable from living." (Casey, p.5). This course explores prayer as essential to our lives as Christian people, as individuals, and within our community of faith. Through this course, students will explore the qualities, forms, and expressions of prayer that help to form and sustain our lives as Catholic Christians.

Survey of Catholic Doctrine Cycle 3 Apr 25-May 15 (registration opens Mar 9)

This course will look at some of the major doctrines of the Catholic Church. Participants will come to a better understanding of the Trinity, original sin, church, salvation history, and the communion of saints. Participants will be asked to identify the meaning of magisterium, ecumenism, eschatology, and other Catholic terms.

LET THIS BE THE TIME

if we don't listen to the world's stereotypes, myths and jokes about getting older, our lives are filled with possibilities, growth, depth and joy. The spirituality of our maturing years enables us to be maturing persons, touching the world with gifts that are so needed.

SPIRITUAL ESSENTIALS FOR LIFE'S SECOND ACT is a four-week seminar from University of Dayton's VLCFF Program. It will be offered at St. Vincent de Paul Parish in Wheeling in the Marist Centre on four consecutive Saturday mornings – January 15, January 22, January 29, and February 5, from 9:00am to 10:30am, and will be led by Shirley Carter.

You can register by contacting Jeanne McKeets at the Office of Evangelization & Catechesis
