Father Paul's Reflections

on the Readings

Sixth Sunday in Ordinary Time

The point of today's gospel is for us to understand the root values Jesus is calling us; to have a heart that is forgiving, faithful and truthful. God who wills that human society be just and merciful; that human life be nourishes, and that all relationships be restored. God's law is not meant to restrain us, but to show us how to be fully human, living out of love. Jesus calls us to live in love, a love that complete us and make us whole, because it is God's love. What is the meaning of sin? According to Catechism of the Catholic Church, "it is an offense against or disobedience to God's commandments; preferring to do our will rather than the will of God." The best definition of sin is a rejection of the unconditional love of God to us. Sins can be summarized into three. First is sin of disobedience and rebellion. There are many things that we should but we don't like, because we are proud and stubborn. Second is sin of brother against brother. Just like Cain, he killed Abel because he was jealous. We don't usually kill our brother, but our hatred of brothers and sisters and friends is almost as deadly. Last is the sin of pride. It is like the story of Tower of Babel in the Old Testament. The people wanted to build a tower that would reach to heaven but God punished them. Their pride destroyed communication among them. How true is it in our lives? A disciple has to refrain from insulting the other or destroy his reputation.

Corpus Christi Parish

Lenten Communal Penance Service

March 14th at 6:30pm

Come experience The Sacrament of God's Forgiveness

Please take time to experience the Sacrament of God's Forgiveness. The emphasis of reconciliation is not just that we are all sinners, but rather that God wants to offer sinners forgiveness of offenses committed against Him. No sin is too large or too small for Him to forgive.

To Celebrate the Year Of the Holy Eucharist, as proclaimed by Pope Francis, Corpus Christi Parish will host an evening Holy Hour every third Monday of the month for a specific cause. You are invited to attend this event in the month of February, to pray for our families! In today's society, the family is being attacked like never before by gender ideology, divorce, religion less mentality and secular media. The holy hour for the family will take place on Monday, February 20th at 6:30pm in Corpus Christi Church. Let's all band together and pray for our children, our spouse, our parents and extended family as well as our parish family and our Catholic community at large. At the holy hour there will be music and we will be reciting the rosary and/or the divine mercy chaplet and divine praises—if you haven't recited these beautiful, traditional Catholic prayers in awhile or would like to learn them, all the prayers will be in the leaflet provided and will make it easy for you to follow along. All are welcome to attend! This is a great way to jump start your Lent!

Corpus Christi Parish is presenting a 7-week Lenten Service.

A Bible and Sacrament journey through Scripture.
Discover the masterworks of God. Narrated by

Time? 9:00am – 10:15am

When? Starting Sunday, February 19, 2023 and every Sunday thereafter concluding on Palm Sunday, 4/2.

This is a great way for an entire family to start their Lenten journey Please spread the word! Bring a friend or two! You will be glad you did!
Light refreshments will be served.

- Register beginning at 9 a.m. in lower rotunda
- Meet with your legislators (by appointments pre-arranged by you) from 9:00 – 10:30 a.m.
- Rally at noon in the lower rotunda

2023 Legislative Agenda:

The Support For Mothers and Babies Act

- Would create and seed a fund for Pregnancy Resource Centers across the state.

The Women's Right to Know Act

- Would reinstate bills that were repealed when the Unborn Child Protection Act passed. It would require that women who qualify for abortion exceptions be informed about the risks of, and alternatives to, abortion – including the dangers of the abortion pill, and the fact that the effects of a chemical abortion can be reversed. It would also ensure that information on disabilities (including support networks) is given to parents when they are told that their unborn child has special needs.

WHAT YOU CAN DO TO HELP

- Contact your state Delegates and Senators at 1-877-565-3447. Ask them to pass *The Support for Mothers and Babies Act* and *The Women's Right to Know Act*.
- Plan now to attend Pro-Life Rally Day at the Capitol on Monday, February 13, 2023, to support passage of the legislation described herein.
