Give the Gift of Education

At Corpus Christi School we believe that every child should have the opportunity to pursue a Catholic education. We recognize that enrolling in a Catholic school may pose a financial hardship for some families.

Through our Adopt-A-Crusader Program, we help families who otherwise could not afford or cause financial strain to send their children to CCS. To participate in the program, families must be contributing a monthly payment toward their tuition costs. Students must also be in good standing at the school.

This program is to help in the following ways:

- Assist families who do not have the ability to pay full tuition costs
- Assist families who have hardships in their lives
- Assist families who have requested a need for financial aid

Please consider Adopting-A-Crusader and giving the gift of education! Your participation in the program will have a direct and lasting impact on the life of a student. That student will forever know that someone cared enough to give them the opportunity and gift of a Catholic education. No gift is too small and all gifts are tax-deductible.

Your gift/pledge may be dropped off in the collection basket at church, sent to us by mail, or by visiting our secure website: corpuschristwheeling.com/giving and click "Adopt-A-Crusader."

Thank you for your continuous faith and support to Corpus Christi School
