Father Paul's Reflections on the Readings

Sixth Sunday of Easter

Today's gospel Jesus tells us, "As the Father loved me, so I love you." The whole theme of the gospel today is Christ's love for us. Christianity reveals a God who seeks us, a God who loves us for more than we love ourselves. Jesus came to reveal to each and every one of us the loving, compassionate, forgiving face of the Father. Jesus came to reveal the true face of God - A God of love, truth, and light. Let us be grateful for the truth, that God's love for us is based on nothing even when we sin. God's love continues to carry us; He never gives up. Many years ago, we sang a hymn, "We are one in the spirit and one in the Lord." The last line of that hymn was, "They will know we are Christian by our love."

HAPPY MOTHERS' DAY!!! As we celebrate Mothers' day, I wish all mothers in our Corpus Christi Parish, a most Happy Mothers' day. On this day we celebrate the unconditional love of mothers to their children and children's love for their mothers. "Love always protects, always trusts, always hopes, always perseveres. Love never fails." It's not easy being a Mom. A recent study shows that by the time a child reaches 18, a mother had to handle some 18,000 hours of extra child-generated work. It really isn't easy being a Mom. It requires sacrificial love, the like of which can only be found in God. We acknowledge the tremendous impact mothers have on their children. It is said "if you educate a man you educate one individual and if you educate a woman you educate a family." Let us be grateful to our mothers because of their tenacious and sacrificial love for their children; for the tremendous impact they have on their children; and for their intimate relationship with us from birth to death. We pray for mothers today, that You would bless them with all they need to fulfill the calling You have given them. Give them wisdom, strength, and vision. Fill them with your love and goodness.

To Celebrate the Year of the Holy Eucharist, as proclaimed by Pope Francis, Corpus Christi Parish will host an evening Holy Hour every third Monday of the month for a specific cause.

You are invited to attend this event in the month of May, to pray for your mother and all mothers. It will be on May 15th at 6:30pm in the Church, the day after Mother's Day.

Spend a holy hour with our Lord praying for your mother, the woman who brought you into this world and sacrificed many things, and provided you with many things to help bring you to where you are today.

THE EUCHARIST and BIG SCREEN PROJECTORS

A 21st Century Issue for the Church

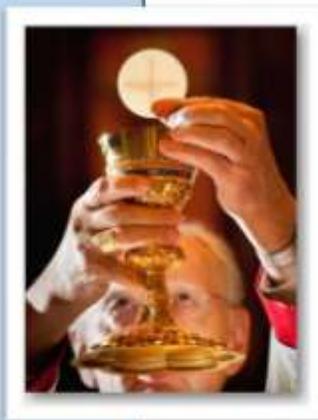

We all know the Eucharist is "the source and summit of the Christian life."¹ We also know Jesus himself taught just how important it is to celebrate his Eucharist.² **The Liturgy of the Eucharist is that part of the Mass where we do what Jesus said to do and he becomes truly present – body, blood, soul, and divinity – under the appearances of bread and wine.** This is what the Church means when she speaks of the "Real Presence" of Christ in the Eucharist.³

Knowing just how important the Eucharistic Celebration is the question facing many Catholic Churches is whether big projector images, changing screens and flashing pretty pictures on the wall are respectful to Jesus. Are these distractions consistent with the humble focus we should have on God, his sacrifice and his mercy at this most important moment.

To show respect for Jesus and his Eucharist and to minimize the distractions for the faithful who want to pray the Eucharist **we, at Corpus Christi, will pause big screen projection during this most important portion of the Mass.** For these

few minutes of the Mass let our focus be on Jesus not TV.
