## Father Paul's Reflections on the Readings

### 26th Sunday in Ordinary Time

Faith cures disease; faith brings fortune; faith mends relationships; faith build up persons themselves. Faith should not be conditional. Faith is like a mustard seed means seeing the life hidden within that tiny seed. We need only do our part; the rest is in the hands of God. God, who is the master of our lives, can do anything with our lives. We need to feel comfortable that our Master is rich and generous; He has better plans for our lives. When we make our plans we entrust ourselves into God's hands and say, 'we are unworthy servants; we have only done what was our duty.' God then picks up where we have left off. We do our bit and God does His might. Let our prayer always be, "Lord, increase our faith".

## LETTER ON RESPECT FOR THE LIVES OF MOTHERS AND CHILDREN

As Catholics throughout the world prepare to celebrate "Respect Life" month beginning October 1, Bishop Mark Brennan has released a letter on respect for the lives of mothers and children. The letter is also in response to the recent law signed by Governor Justice which regulates the practice of abortion in West Virginia.

*"My brothers and sisters, our Church is both pro-child and pro-woman. As the pro-life movement long ago realized, seeking only to limit or eliminate abortions is not enough. We must also provide support to mothers before and after they give birth and to their families,"* Bishop Brennan says in the letter.

We have asked all parishes to place copies of the letter in the back of Church. Please take a copy. You can also read the letter online at [www.dwc.org](http://www.dwc.org). Bishop Mark has also recorded a video version of the letter. The QR code can be scanned, allowing you to view the video on your personal device.

Please join Bishop Mark throughout the month of October and beyond as we work together to uphold the right to life and promote the welfare of families.
